How the Online Silent Auction Works

1. Choose the equipment you wish to bid on and note the corresponding lot number.
3. Go to the bidding page and enter your contact information.
4. Submit your bids for each lot you're interested in (bids must be at least equal to the reserve price to be considered).
5. Click submit. We will contact you if you win.

Terms & Conditions

1. Equipment featured in this ‘Under the Hammer’ promotion is ex-demo, display, or excess stock line.
2. All prices and bids include GST.
3. Auction items will be awarded to the highest bid received by 11:59 PM AEST on December 04, 2026.
4. To be considered, bids must be equal to or greater than the reserve price.
5. In the event of two or more equal bids, Henry Schein will award the equipment to the first bid received.
6. Winners of auction lots will be notified by phone and email as soon as possible after the auction closes.
7. Installation, validation, and delivery/shipment are not included in auction prices and bids.
9. Items must be installed or invoiced and paid in full via Bill and Hold by 11th December, 2026.
10. Items may differ from those pictured; please inquire for a full description, details, and inclusions.
11. **BUY NOW** **PRICE** applies to the first bid meeting or exceeding the Buy Now Price. Once the criteria has been met, one of our specialists will contact the bidder to sign the agreement and apply the Buy Now Option. Please enquire for additional details.
12. Selected equipment auction items may include a limited warranty. Please enquire for warranty details and applicable terms.
